

## **RISK IT**

### **Verse 1**

The teacher asks a question and I think I know an answer I could share . . .  
today,  
Or else I wanna ask her what it really means or why it's got to be . . .  
that way.  
Raise my hand, understand, this is how I'm gonna get to see ...  
the light.  
And chances are, others are feeling just as muddled up as me, that's right.

### **Chorus**

*Risk it – wanna push myself  
Where I've never been before  
Risk it – wanna stretch myself  
Everyday learning more and more.*

### **Verse 2**

When I'm feeling nervous and I don't know what it is I'm gonna do . . .  
or say,  
Everyone I know is busy doing something else or they have gone . . .  
away.  
On my own, all alone, wishing there was some way I could join ...  
a game.  
And if I say, "can I play?" then my life may never ever ever be the same.

### **Chorus**

### **Verse 3**

On my bike, on a slide, off at camp or when I'm running fast . . .  
as I can go.  
I gotta have a shot to win, and see if the adrenalin can start . . .  
to flow.  
Fill a page, get on stage, show them who I am and all that I ...  
can be.  
Take a breath, do my best, because in the end I know it's really up to me.

*Risk it – wanna push myself  
Where I've never been before  
Risk it – wanna stretch myself  
Everyday learning more and ....*

*Risk it – wanna push myself  
Where I've never been before  
Risk it – wanna stretch myself  
Everyday learning more and more.*
