

Thinker

Chorus

*Take what you've got and make it anew,
If you're creative then you'll know what to do.
The whole world's open to good ideas from you,
So fire up your mind and you can be a thinker too.*

Verse 1

Look at the question till you're clear
What you think the problem could be
Then you're already halfway there
To finding out a way to see

So . . .

Verse 2

Check out the options as you go,
Listen to what others say.
Brainstorm solutions, let them flow,
Look at it in different ways. . .
So . . .

Verse 3

Think for yourself in everyway,
Let that inspiration fly.
To meet the potential of each day,
Your thoughts have gotta reach the sky. . .
So . . .

End

You can be a thinker too ...x 3
You can be as thinker, you can be a thinker too.
